Waste capacity	57 US gal 215.8 L
Generator fuel	30 US gal 113.6 L
Engines	Twin Volvo IPS450 POD drives

The beautiful R-43 from Ranger Tugs is as luxurious and comfortable as it is strong and seaworthy.

The R-43 is thoughtfully equipped with many innovative features that will make your life on the water stress free and fun like it's supposed to be. Designed and built by hand in the USA, the R-43 will turn heads and collect fans everywhere you go.

The heart of the R-43 is its spacious, light-filled salon; with a conversational layout and seating for 12, you'll make a lifetime's worth of memories with friends and family in this warm, inviting space. With two private staterooms, each with en suite head and shower, there's plenty of room to comfortably entertain guests.

You'll feel confident in all conditions with twin Volvo IPS drives, joystick driving and docking, and a state of the art Garmin 22" navigation suite with chartplotter, AIS, autopilot, and radar. Add even more control with available gyroscope stabilization, FLIR thermal imaging, and Dynamic Positioning.

Access to the R-43's large, covered cockpit is safe and easy from any dock via the starboard dive door, or the locking transom doors leading from the oversized swim platform. An opening glass pass-through window connects the galley and cockpit, creating an open, social area for entertaining and gathering. An icemaker, sink, Fusion stereo control, and joystick docking station can also be found in the cockpit, along with innovative transom seats and tables that rotate into multiple configurations depending on your desired use.

The R-43 CB features a 205 square foot command bridge which is accessed via staircase with handrail. With wrap-around bench seating for eight, Fusion stereo control, refrigerator, electric grill and sink, you can prep, serve, and enjoy happy hour without ever having to go downstairs.

Among many things, the R-43 is about comfort, seaworthiness, and having fun! With amenities like a full size washer and dryer, a spacious galley equipped with a 3-burner stove and oven, double basin sink, microwave, multiple refrigerators, butcher block and more, you can live and entertain just like you would at home. The expansive cockpit and command bridge allow you to host and play outside while never feeling crowded.

R-43 Sedan
