## R-25SC The Original Trailerable Cruiser

Real cruising is as much about the journey as the destination...and the Ranger R-25SC is all about both. The R-25SC cockpit (aft deck) is 25% larger than our original R-25 giving it nearly 50 Square feet of aft deck space. Designed to provide maximum comfort and versatility in an easy-to-own, easy-to-operate trailerable mini-yacht, the R-25SC offers a full 8-1/2-foot beam for roomy on-deck areas and large interior spaces. Private compartments allow sleeping accommodations for up to five. There's an enclosed head with shower, sink and marine toilet, a helm with full instrumentation and an optional navigation package. The inviting galley includes a sink, stove and refrigerator. Large cabin windows and overhead skylight hatches help brighten the interior and offer a panoramic view all around.
